## **Skill Summary**

Communication, teamwork, organization and efficient adaptability.

## **Objective**

I worked in different shows, when the pandemic started I started teaching stretching and acrobatics classes in the city where I live. At the same time I went to university to continue my studies. I am applying because I would love to have the opportunity to work in the front of the house as an usher or for whatever they require in terms of serving the general public.

## **Education**
